

# TO ALL NATURAL GAS CUSTOMERS

Now that the heating season is here, we ask you to inspect your appliances for adequacy of proper ventilation. Asphyxiation by carbon monoxide appears to be the number one safety problem this time of the year.

*Thank You*

MIDWEST NATURAL GAS, INC.

## NEED HELP WITH YOUR ENERGY BILLS?

The Wisconsin Home Energy Assistance Program (WHEAP) assists eligible households with their heating bills. It is funded by the Low Income Home Energy Assistance Program and the Public Benefits Program.

The two basic parts of energy assistance are regular benefits and crisis assistance. WHEAP benefits are limited and not guaranteed. When funds have been exhausted for a program year, there are no benefits issued to households, regardless of eligibility.

Call **866-HEATWIS** (432-8947) or visit [homeenergyplus.wi.gov](http://homeenergyplus.wi.gov) to learn more.

Online applications are available at <https://energybenefit.wi.gov>.

Households may also call Energy Services at **800-506-5596** to apply for WHEAP.
